

Are you a nurse or physician who identifies as 2SLGBTQIA+

Do you currently practice in Manitoba or have practiced in Manitoba in the past?

We want to hear

about your experiences!

A team of 2SLGBTQIA+ researchers at the University of Manitoba is exploring the workplace and educational experiences of 2SLGBTQIA+ nurses and doctors practicing in Manitoba. People participating in this study will be asked to undertake a one-on-one interview.

If you are interested in participating,
or for more information:
