**Re:** ***Important: Medical Staff Attestation Portal is Live***

---

Starting this year, annual medical staff attestation will be completed electronically through a new portal, replacing the paper process. The new system is called the ***Shared Health Attestation Portal*** (Attestation Portal) which streamlines processes for by-law compliance confirmation, demographic updates, and appointment/privilege reviews.

Annual attestation **starts today** and **ends December 31, 2025, 11:59pm**, after which the Attestation Portal will be closed and no more attestations accepted.

Physicians, midwives, psychologists, dentists and oral surgeons with a start date prior to September 2024 are required to complete the process. You will need to log into the portal using your primary health-authority issued email address (e.g. @wrha.mb.ca, @sharedhealth.mb.ca, @nrha.ca, @pmh-mb.ca, @southernhealth.ca, @manitoba-physicians.ca etc.).

Information you need to log into the portal:

- [Sign in](#) to Shared Health Attestation Portal Login
- [Self-Registration Login Quick Reference Guide \(QRG\)](#)

You will need to accept the Attestation Portal terms by clicking the consent box prior to being able to use the portal.

The following attestation resources are available through the [Medical Providers website](#). Please click on the section titled: Attestation Process for Medical Staff.
