Re: **Provincial Specialty Lead – Radiology, Shared Health**

Dr. Peter Nickerson, vice-provost (health sciences), dean, Max Rady College of Medicine, and dean, Rady Faculty of Health Sciences, and Dr. Perry Gray, provincial lead, medical specialist services, and chief medical officer, Shared Health, is pleased to announce that Dr. Stephen Ying has been appointed department head – radiology, Max Rady College of Medicine, and provincial specialty lead – radiology, Shared Health, effective Dec. 1, 2023.

Dr. Ying is a graduate of the University of Manitoba, where he earned his bachelor of science in 2005 and his medical degree in 2009. He also completed his residency in diagnostic radiology at UM. Dr. Ying then completed a fellowship in neuroradiology at the University of Washington's department of radiology.

In 2015, Dr. Ying joined the Max Rady College of Medicine as a lecturer in the department of radiology. For the past eight years, he has held the position of Health Sciences Centre neuroradiology rotation supervisor.

Dr. Ying has held several educational responsibilities at UM, including journal club preceptor for neuroradiology and lecturer in stroke imaging.

Mainly centred at the Health Sciences Centre, Dr. Ying has been a staff neuroradiologist since 2015.

In 2017, Dr. Ying became the director of adult CT and MRI at the Health Sciences Centre. This position has provided Dr. Ying with the opportunity to learn and observe the inner workings of the department of radiology.

He has had several articles published in journals. A project that he was co-investigator for, called Catalytic Research Capacity for Acute Ischemic Stroke Care in Winnipeg, was funded by the Canadian Stroke Trials for Optimized Results.

Dr. Nickerson and Dr. Gray would like to sincerely thank Dr. Marco Essig for his leadership and dedication as department head of radiology and provincial specialty lead – radiology.
