

Rapid Access to Addictions Medicine

Knowledge Exchange Days 2025

Join us in November and December for the Rapid Access to Addictions Medicine (RAAM) Knowledge Exchange Days. These weekly virtual series will explore the challenge, successes and the future of addictions medicine in Manitoba, including presentations on harm reduction practices, pathways to care and the Manitoba Wildfire Response.

Session Topics (Please click below each one to register)	Date & Time	Description
Introduction to Substance Use Disorders and the RAAM Clinics Register HERE!	November 12 8:30 to 9:30 a.m.	Presented by Dr. Erin Knight, this session will include an overview of the RAAM model and explore the positive impact the service is having on the lives of Manitobans.
Harm Reduction Activities in Manitoba – Panel Discussion Register HERE!	November 12 9:30 to 10:30 a.m.	In this guided session, panelists will answer questions about the innovative services they provide, share stories of how their programs are supporting harm reduction activities, and celebrate the successes they’ve had in providing access to HR support for people who use drugs.
Supporting Individuals with Sublocade – Practice Update Register HERE!	November 19 8:30 to 9:30 a.m.	A key session for physicians, nurse practitioners and other health care providers who are currently providing or are interested in addictions medicines. Led by Dr. Erin Knight this session will include information on the evidence and protocols for <i>Sublocade</i> , a long-acting injectable Opioid Agonist Therapy (OAT).
Opioid Agonist Therapy (OAT): Virtual RAAM and Garden Hill Register HERE!	November 19 9:30 to 10:30 a.m.	This shared presentation will explore the collaborative and shifting journey of care provided during the Manitoba Wildfire Response to support addictions medicine for the Relatives of Kistiganwacheeng (Garden Hill Anisininew Nation).
Pathways of Care: SDO Wildfire Response for Substance Use & Addictions Register HERE!	November 26 8:30 to 9:30 a.m.	An informative presentation set to explore both the unique and shared experiences of provincial Service Delivery Organizations (SDO) throughout the Wildfire Response. Including services pathways, challenges and opportunities and creative problem solving.
Symposium Discussion: Indigenous Community Partnerships – Strengthening the Manitoba Wildfire Response Register HERE!	November 26 9:30 to 10:30 a.m.	A collection of presentations from key leaders on the experiences of Indigenous-Led organizations in providing creative, innovative, and culturally focused, support to the Relatives from communities evacuated and displaced during the ongoing Wildfire Response.
Reducing Harms: IV Drug Use and HIV Care in Manitoba Register HERE!	December 3 8:30 to 9:30 a.m.	This presentation will explore the intersect between substance use and HIV, with a lens on the use of harm reduction practices to support individual health and engagement in integrated care.
Access to Child and Youth Mental Health and Addiction Services in SDOs Register HERE!	December 3 9:30 to 10:30 a.m.	Join us in a youth focused session that will explore evolving pathways to care for substance use, addiction and other mental health needs within the SDOs
