

Métis Flower Beading Workshop

February 11, 2026 6:00–8:00 p.m.

Virtual on Zoom; all workshop supplies will
be mailed to you in advance

**Are you an internationally trained
physician practicing in Manitoba?**

Join others with shared lived experiences as you learn to bead a Métis flower brooch while exploring Métis culture and history. The workshop will be led by Kerri Keffer, a Métis teacher and community leader from Sprague, MB. No beading experience is required, and all supplies along with a detailed instruction manual will be sent to registrants in advance of the workshop.
